

ECOBRU TEMPUS MOBILITY PROGRAMME

at the University of Latvia

February 21 – 26, 2016, Riga

Sunday, February 21

Participants arrive in Riga at different times.

Accommodation in the hotel “**Radi un draugi**” (with breakfast).

Address: Mārstaļu street 3 (in the Old Riga). Ph. 00 371 67820200,

www.hotelradiundraugi.lv

Getting to the hotel from the Riga airport:

- 1) **by taxi**; cost is about 12 -15 EUR, taxis are waiting in a line right in front of the airport exit.
- 2) **by city bus No.22**; the bus stop is in front of the Airport building across the parking lot. Get off at the stop „Autoosta” near the Stockmann supermarket in the City Centre. Ticket costs 2 EUR at the driver or about 1,20 EUR if e-ticket is bought in the NARVESEN kiosk in the airport building. Each passenger needs his/her own e-ticket card. If you are going back to the airport the same way, it is convenient to buy an e-ticket with two rides (it is an electronic card with the number of rides you ask when you buy the ticket). Standard size luggage does not require any additional ticket.

Timetables for the bus No.22 from the airport and all info about Riga City transport

Your hotel then is in a walking distance across the street (take the subway tunnel).

Everything is close and easy to find, but to get even better oriented, it might be a good idea to check the map of Riga Centre and your route in the internet before you go. When here, we will give you a map, too.
